# Board of Studies (BOS)

for the

# Ph.D. Course work

in

# Human Resource Development

With effective from academic session 2022-23 BOS held on 22/09/2023

22'9'23

Department of HRD Faculty of Management Studies Veer Bahadur Singh Purvanchal University, Jaunpur U.P.

UN 2912

12219123

## Subject prerequisites:

PG in Human resource development/PMIR/ Business Administration/M.A. (Psychology)/ M.A. (Sociology)/ M.A. (Public Administration/ M.A. (Economics)/ M.A. (Economics)/ M. Com with 55% qualified combined university research entrance test and UGC NET.

### Programme Outcomes (POs):

PO1:Upon completion of the program, students will be able to critically evaluate and apply contemporary HRM and OB theories to address complex organizational challenges, demonstrating a deep and nuanced comprehension of the field.

PO2:Students will be able to design, conduct, and analyze empirical research studies in HRM and OB including identifying research gaps, formulate research questions, appropriate research methods, and communicate research findings effectively through publications and presentations.

PO3:Student will be familiarising the latest statistical tools and techniques for solving any problem with justifications and develop the new theories and models in the domain.

PO4: Students will be able to demonstrate the ability to navigate complex organizational dilemmas with ethical considerations at the forefront.

### Programme Specific Outcomes (PSOs):

**PSO1:Students** would be able to demonstrate a deep understanding of the various theories, models, and frameworks in the field of Human Resource Management.

**PSO2:** Students would be able to design, conduct, and analyze original research in HRD, contributing to the body of knowledge in the field.

**PSO3:** Students would be skilled in critically evaluating HRD issues and proposing innovative solutions to complex challenges faced by organizations in relation to their human resources.

Year	Sem	Course Code	Course Title	Theory/ Research	Credit	Max. Marks
		FHRDPHD01T	Human Resource Management	Theory	6	100 [25(CIE)+75(UE)]
		FHRDPHD02T	Organizational Behavior	Theory	6	100 [25(CIE)+75(UE)]
6	XI	FHRDPHD03T	Research Methodology, Research Publication Ethics and Computer Applications	Theory	4	100 [25(CIE)+75(UE)]
		FHRDPHD04R	Research Project	Research	•	100 [25(CIE)+75(UE)]

### List of all papers of Pre-Ph.D. course work or Post graduate Diploma in Research (PGDR)

#### Credit system:

• A four (4) credit theory course/paper will have four Lectures/periods (of one hour) in a week. In one full semester the course will be covered in 60 Lectures.

10m 2219123

• Similarly, a six (6) credit theory course/paper will have six Lectures/periods (of one hour) in a week. In one full semester the course will be covered in 90 Lectures.

#### Continuous Internal Evaluation (CIE) of 25 marks:

- Continuous internal evaluation will be performed by the teacher/ course coordinator concerned.
- CIE shall be 25% of total assessment in a Theory paper and research project.
- 25 marks shall be distributed as 5 marks for attendance, 5 marks for presentation and assignment and remaining 15 marks for class test.

#### Marking system:

- All papers will have a total maximum mark of 100, including both CIE and University Examination (UE).Maximum marks of 25 will be allotted to CIE and 75 to UE in a theory paper/research project.
- The CIE of the research project shall be evaluated by the research supervisor and cosupervisor (if any).
- 75 marks of research project shall be distributed as 50 marks (project work and presentation) and a viva voce of 25 marks.
- The evaluation (Max Marks 75 UE) of the research project shall be done by internal examiner/s (Supervisor and Co-supervisor (if any)) and one external examiner appointed by the University.

#### **Research Project Submission:**

- The evaluated research project report in two sets of hard copy (spiral binding) must be prepared. One copy of it shall be submitted to the university if it demands. A second copy of the evaluated research project report must be in the records of the college/research centre.
- The format of university Ph.D. thesis writing guidelines can be used as format of Research project writing guidelines.

Subject: Research Methodology, Research Publication Ethics and Computer Applications

	Course Title:	Methodology,	Research	Publication	Ethics	and	Computer
FHRDPHD03T	Applications						

# Course Outcomes (COs)

CO1: With the help of this course, students will be able to decide the research field, topic, design, and pros and cons of research, sampling, and data collection techniques.

CO2: The student will be able to understand the research process and acquire the skill of writing research articles.

CO3: The course will enable you to execute the best practices, morals, and ethical values in scientific conduct and avoid publication misconduct.

CO4: With the help of this course, students will be able to learn about the standards of journals for good-quality publications of their research work.

**CO5:** After this course, the students will be able to learn how to use computers and different application software for manuscript writing.

**CO6:** This course will enable the students to learn about reference management and the maintenance of academic integrity using scientific tools. They will be familiar with the protection of the machines from computer hazards.
