Definition of a Start-up

As per the Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, Government of India notification vide No. 236 dated 11 April 2018, an entity shall be considered as a Start-up when:

- A. An entity is working towards innovation, development, or improvement of products or processes or services, or if it is a scalable business model with a high potential of employment generation or wealth creation. Provided that an entity formed by splitting up or reconstruction of an existing business shall not be considered a 'Start-up'; *and*
- B. Turnover of the entity for any of the financial years since incorporation/ registration has not exceeded INR 25 crores; *and*
- C. Up to a period of seven years from the date of incorporation/registration, if it is incorporated as a private limited company (as defined in the Companies Act, 2013) or registered as a partnership firm (registered under section 59 of the Partnership Act, 1932) or a limited liability partnership (under the Limited Liability Partnership Act, 2008) in India. In the case of Start-up in the *biotechnology* sector, the period shall be up to ten years from the date of its incorporation/ registration; *and*

About VBSPU Incubation and Innovation Foundation

Incubation and Innovation Foundation (hereinafter is to be termed as 'IIF') is an incubation centre at VBSPU, Jaunpur under Section 8 of the Companies Act, 2013. VBSPU-IIF help students, alumni, teachers and entrepreneurs from the university, its affiliated colleges, as well as institutes from all parts of the state, with their ideas and venture plans. VBSPU-IIF invite innovative ideas and incubate, nurture, and hold their hands till they are able to sustain and excel. An entrepreneurial environment is provided with culture of collaboration. VBSPU-IIF guide and help aspirants to prepare the business plan and help them to present on the appropriate platform so that financial help may be received from various government and private agencies/promoters.

VISION:

The VBSPU-IIF is committed to providing opportunities to develop, nurture, and incubate business ideas of students, faculty members, and others to create an entrepreneurial culture and contribute to sustainable development in the region.

MISSION:

The VBSPU-IIF emphasize promoting entrepreneurial activities with innovative ideas and contributing to society through wealth creation and its evenly distribution with environmental sustainability.

Incubation Policy and Guidelines

VBSPU-IIF wishes to facilitate the creation of ideas and inventions that benefit society. The scope of this document is to define the policies and procedures for the operational matters related to the VBSPU-IIF. The policy is subject to periodical review and amendments. It will be the responsibility of the startups admitted to VBSPU-IIF to update themselves from time to time on amendments in Incubation policy and procedures. VBSPU-IIF reserves the rights to make an exception of all or any of the terms of policy for a particular company or a promoter on a case to case basis.

SCOPE-

Applications are accepted online or in person for three major incubation programmes:

- 1) Pre-Incubation
- 2) Incubation
- 3) Virtual Incubation (for companies located outside the VBSPU campus)

It covers the following aspects:

- Thrust Areas
- Eligibility
- Selection criteria
- Admission procedure
- Services provided by VBSPU-IIF

- Period of Incubation
- Periodic assessment
- Intellectual Property
- Seed funding
- Consideration
- Agreements

1. Thrust Areas-

Different Sectors where incubation can be provided are among, but not limited to:

- Economics, Banking and Finance
- Renewable Energy Technology
- Food Technology and Processing
- Automation Technology
- Material Engineering
- Agriculture Sciences
- Hotel Management and Tourism
- Electrical and Electronics
- Architecture
- Computer Service & Info-Tech
- Water Resource Engineering and Management
- Agro-Technology and Allied sectors
- Social Work
- Other emerging areas or of social / national importance

2. Eligibility-

2.1 For Pre-incubation-

Only students, staffs, alumni, teachers, or persons associated through extension services of the college desirous of availing pre-incubation facilities has to apply through structured/prescribed format. Once the business idea is qualified to become a start-up it can opt for Incubation or Virtual Incubation services.

2.2 For Incubation and Virtual incubation-

Any one desirous of availing incubation facilities must incorporate as a private limited company (as defined in the Companies Act, 2013) or registered as a

partnership firm (registered under section 59 of the Partnership Act, 1932) or a limited liability partnership (under the Limited Liability Partnership Act, 2008) in India.

The Applicant for Incubation Program can be a start-up formed by an individual entrepreneur or group of entrepreneurs that have not incorporated under either of the legal entities. In such cases an application may be made in the names of all promoters/founders of the start-up. However, if selected for the Incubation Program, the promoters/founders of the start-up must ensure that their start-up is incorporated under either of the legal entities within a period of three months from the date of signing of the incubation agreement with the VBSPU-IIF.

2.1.1. Eligibility Criteria:

- a. The incorporated start-up must not be older than 7 years from the date of registration/ company incorporation.
- b. The incorporated start-up's annual turnover (as defined in the Companies Act, 2013) in any preceding financial year must not exceed ₹ 5 crore.
- c. The incorporated start-up must not be formed by splitting up, or reconstruction, of a business already in existence.
- d. The incorporated start-ups must not be working as a Proprietorship Company or Public Limited Company.
- e. The incorporated start-up must be working towards development of innovative products/ processes/services and must have a scalable business model with a high potential of employment generation or wealth creation.

Further,

- The startup or innovation promoted by faculties of VBSPU shall be governed by VBSPU and approved by the Institute. Companies that are promoted by students in VBSPU shall not be offered incubation if student is holding executive position, however companies promoted by students are eligible to apply for incubation. Provided, the student is not actively to be engaged with the company beyond any engagement which may be permitted by the Institute.
- Regular teachers, professors, or staffs shall be offered incubation only upon submission of '*No Objection Certificate*' from the competent authority of the University.

- Any company that is engaged or is proposing to be engaged in activities that are in conflict with the university, like imparting educational courses and/or training programs including vocational trainings or is planning to undertake such activities during the incubation period shall require explicit permission from the university. Upon Institutes' expressed approval, such companies shall be offered incubation.

3. Selection Criteria-

A start-up applying to the Incubation/Virtual Incubation Program at VBSPU-IIF will be selected based on following criteria:

- The start-up must have developed a Proof-of-Concept (PoC), business framework, business plan and started using performance matrix through prescribed format.
- The start-up must be working on an innovative idea/technology/product/service in one of the thrust areas.
- The start-up that is willing to pursue the Incubation Program full time with no other concurrent commitments during incubation period;
- The start-up that will preferably have a market ready prototype or PoC, or willing to commit to convert their idea into prototype during the tenure of the Pre-incubation Program;
- The start-up that has a strong business proposal, can confidently pitch to investors and raise funds, can be scaled up and become self-sustainable short span of time.
- The start-up that offers technology enabled solutions with a social and strategic impact.
- The start-up that has a potential for large resource generation and can create an impact value and visibility for VBSPU-IIF.
- The start-up that is incorporated under either of the legal entities namely, private limited company, partnership fir, limited liability partnership, will have to meet the following additional criteria:
 - ✓ At least 51% of the start-up company should be owned by Indian nationals (directly or indirectly);
 - ✓ The start-up company has to ensure they have all required intellectual

- property rights (if applicable), including any technology license or patent assignment, to take the technology ahead. The start-up company may also be required to ensure that they will have Freedom to Operate.
- A start-up applying for the incubation program at VBSPU-IIF, it will not be considered for incubation if the proposed idea/ innovation/ technology or business plan falls under following conditions:
 - ✓ Start-ups proposing products, services or processes which lack novelty with no or limited incremental value;
 - ✓ Start-ups have been formed by splitting up or reconstruction of a business already in existence;
 - ✓ Start-ups with proposals that do not have potential for commercialization, or Start-ups proposing products, services or processes with no differentiation factor;
 - ✓ Start-ups with proposals those are not scalable and sustainable.

4. Admission Procedure

- i. Submit an e-application form provided at www.vbspuiif.com or in person.
- ii. Screening by VBSPU-IIF Committee (Proposals are examined with attention to financial, technical and social impact parameters)
- iii. Qualified/ shortlisted Start-ups will enter in an agreement with VBSPU-IIF
- iv. Agreement executed to formally commence incubation at VBSPU-IIF

5. Services Provided By VBSPU-IIF

Following are the services the VBSPU-IIF provides:

- Air-conditioned co-working space and facilities for operations
- Legal Support
- Secretarial Support
- Intellectual Property Protection Support
- Technology Support
- Accounting Support
- Business Mentoring
- High-Speed Internet

- Cafeteria with complementary tea & coffee
- Industry Connect
- Investors Connect
- Counselling & Guidance
- Documentation support

And such other support services which may be considered necessary in establishing/commencing any start up.

6. Period Of Incubation-

Pre-incubated startup will be permitted to stay in the incubator for a period of 3 months. Additional two years extension may be granted at the sole discretion of VBSPU-IIF depending upon the performance of startup. Further, incubated startup (physical or virtual) will be permitted to work at VBSPU-IIF for a period of maximum one year. Maximum two extensions may be granted for 6 months, each at a time, at the sole discretion of the VBSPU-IIF.

6.1. Exit-

An incubated startup may be asked to leave VBSPU-IIF under the following circumstances:

- i. Completion of period of incubation as per agreement (if not extended); *or*
- ii. Underperformance or non-viability of business proposition as decided by Internal Review Committee (IRC) of VBSPU-IIF on case-to-case basis; *or*
- iii. When the annual turnover of the company exceeds INR 100 cr., or as stated by the Government of India; *or*
- iv. By mutual consent of both the parties; *or*
- v. Irresolvable promoter's disputes as decided by VBSPU-IIF on a case-to-case basis; *or*
- vi. Violation of the policy of VBSPU or VBSPU-IIF; *or*
- vii. When the company enters in an acquisition, merger or amalgamation or reorganization deal resulting in a substantial change in the profile of the company, its promoters, directors, shareholders, products or business plan; *or*

- viii. Change in promoters'/ founders' team without concurrence of VBSPU-IIF; or
- ix. Any other reason for which VBSPU-IIF or the university may find it necessary for an incubated company to leave.

Notwithstanding anything written elsewhere, VBSPU-IIF's decision in connection with the exit of an incubated company/startup shall be final and shall not be disputed by any company/startup.

7. Periodic Assessment-

Periodic assessment would be carried out by IRC and vary depending on the stage of incubation of the startup. The incubated startup has to submit a yearly audited statement of profit and loss account and unaudited quarterly statement about the activities. Notwithstanding, pre-incubated startup has to submit quarterly performance review report. Additionally, incubatee may be asked to provide more frequent updates to VBSPU-IIF.

Some representative criteria for evaluation are as follows:

(a) Ideation / Innovation stage

- Background of entrepreneurs/ team
- Concept development / Opportunity spotting
- Product Development
- Market assessment / Competition analysis
- First level Business Planning / Business Modelling
- Intellectual Property Protection
- Seed Funding

(b) Pre-Market Stage

- PoC/ Prototyping
- Product Development and enhancement
- Financial Health
- Test marketing
- Full scale business planning including production, sales and sourcing

(c) Implementation Stage

- Full scale Business Planning
- Pitching for Venture Funding

- Scaling up operations
 - Large scale commercialization
 - Team Formation
- (d) Exit stage
- Going National / Global
 - Exit options for VBSPU-IIF
 - Full scale business Graduation
 - Post incubation Survival

NOTE. Compliances as laid down by the Companies Act 2013 are binding on the incubated promoters. Incubated companies must submit a quarterly report on the compliances adhered as laid down in the Act.

FURTHER, non-compliance of the same would make companies liable for penalty. Strict actions may be taken by the VBSPU-IIF are mentioned here forth-

- Non-adherence to the *first warning* of the non-compliance by the said Incubated Company will attract penalty of Rs. 1000 which will be billed with the facilities due.
- An action against the non-adherence to the *second warning* by the Incubated Company will make the incubatee ineligible to apply for any kind of fundings at VBSPU-IIF.
- An action against the non-adherence to the *third warning* in the form of notice to vacate the premises allotted to them and may result in end of incubation services.

8. Intellectual Property

VBSPU-IIF helps start-ups with getting intellectual property rights for their unique and innovative product/services. In addition, VBSPU-IIF encourage young and other aspiring entrepreneurs to bring in new ideas to build products and solutions using the latest and emerging technologies, file for patents, trademark and Copyright protection which will be jointly owned between the entrepreneurs and VBSPU-IIF.

9. Seed Funding-

- 9.1. VBSPU-IIF aids incubate(s) in getting seed fund/loan subject to the availability of funds/ grants/ schemes meant for this purpose. Seed fund/loan may be sanctioned only to the registered companies and shall be based on merits of each company. Further, admission to VBSPU-IIF shall not automatically entitle the promoters to seed fund/loan.
- 9.2. A promoter desirous of getting seed fund/loan may submit an application for seed fund after three months from the date of admission in VBSPU-IIF. Sanction of seed loan will be decided based on the eligibility criteria as decided by VBSPU-IIF. Information regarding available seed fund/loan will be provided only to the incubated startups.
- 9.3. VBSPU-IIF will have sole discretion to sanction or reject an application for seed loan and the decision of VBSPU-IIF in this regard shall be final. VBSPU-IIF is not bound to give any reason in case an application for seed loan is rejected.
- 9.4. Though seed funding may be sanctioned at the time of approval of the proposal, disbursement shall be subject to satisfaction of IRC, that suitable progress has been made.
- 9.5. Notwithstanding anything contrary contained herein the Seed fund sanction and disbursal shall be governed by governing council of VBSPU-IIF.

10. Consideration-

VBSPU-IIF will charge for infrastructure and services from the incubated startups while pre-incubation facilities are free of cost. This payment would be in the form of service charges and equity share as per following details:

- For physical incubation- Recommended fee (for 2 seats occupancy) from 7 to 9.5 percent equity (till the company operates). However, in the special cases fee may be reduced or waived-off based on status of applicant after the approval of governing council).
- For Women entrepreneurs and Differently abled entrepreneurs- Recommended fee (for 2 seats occupancy) 5 to 7 percent equity (till the company operates). However, in the special cases fee may be reduced or waived-off based on status of applicant

after the approval of governing council.

- For virtual incubation- Recommended fee 4 to 6 percent equity (till the company operates). However, in the special cases fee may be reduced or waived-off based on status of applicant after the approval of governing council.
- However, VBSPU-IIF may at its discretion revise the rates from time to time.

11. Agreements-

All incubate shall enter into following agreements as per decided after discussion with governing council of VBSPU-IIF:

- Incubation agreement with VBSPU-IIF:* Containing rules and other incubation norms, consideration, equity holding, etc. (Applicable to all except pre-incubated startups)
- Seed-Fund/loan agreement with VBSPU-IIF:* Containing rules of disbursement and repayment. (Applicable to incubated startup/company availing seed-fund/loan)
- Technology commercialization agreement with VBSPU-IIF:* Applicable to incubate using technology or IP developed by VBSPU.
- Equity share agreement with IIF and/or any third-party consultant:* Containing the terms and conditions for the incubatee. The incubatee shall be required to share the profits of minimum 5% of the profits after tax or 4-9.5% of the equity, as negotiated between incubatee and VBSPU-IIF or third-party consultant for proper handholding of the Incubatee.
