Veer Bahadur Singh Purvanchal University

ACCREDITED WITH GRADE A+ NAAC

Jaunpur-222003, U.P. (India)

(Established under UP State University Act, 1973)

PUCAT 2026 ADMISSION BROCHURE

ABOUT THE UNIVERSITY

Veer Bahadur Singh Purvanchal University is as a premier educational institution in the eastern region of Uttar Pradesh. The university in the honour of Late Veer Bahadur Singh, former Chief Minister of the state, was established on 2 October, 1987 as an affiliating university under Uttar Pradesh State University Act, 1973. Continuous qualitative and quantitative growths, excellence in academic and administrative activities, transparent and efficient system have been some of the distinct characteristics on the basis of which the university emerged as one of the leading Institution. The university is located at 10 km from the historic city of Jaunpur on Jaunpur-Shahganj road (NH-135A) having 171.5 acres of lush green campus. The infrastructure development, achievement of academic excellence and quality assurance in the higher education are some of the priority areas for which the university is putting its best efforts.

The university has been accredited with an A+ grade by NAAC, is recognized as a premier centre for quality higher education, and committed to academic excellence.

The university has fully embraced the National Education Policy-2020, incorporating compulsory, elective, minor, and vocational courses across all programs. The dearth of technical and professional educational facilities and growing demand for need based courses in the region have been the guiding factors that have led the university on the path of continuous academic growth with more than 80 diploma, undergraduate, postgraduate and PhD programmes in the various streams such as many engineering, management, pharmacy, biological science, physical science, applied social science, women studies and law. The university has attained the goal with focus on teaching, research and extension activities. With more than 160 teachers, presently the university campus is inculcating educational values among more than 4100 students.

Modern facilities include internet-enabled computer labs in all departments and hostels. The university hosts the "VBSPU Incubation & Innovation Foundation" to foster entrepreneurship and innovation, supported by a structured IPR policy for commercialization. University has a Central Training & Placement Cell and a Career Guidance Cell, a world class central library, indoor and outdoor stadium.

A message from the Vice-Chancellor

Education is a crucial element in the mental, physical, and social development of a person. Education expands knowledge, culture, values, and ethics in life. In this way, education not only imparts knowledge but also enhances understanding, helping individuals understand themselves and contribute positively to society. The past years have been full of achievements for VBS Purvanchal University, as we attained the NAAC ranking of 'A+'.

Continuing this 38-year sage of success, the university is once again prepared to welcome new students in the new academic session. In recent years, there has been a significant increase in competition for admission to the university. This reflects the growing acceptance of the university's education among students. The university's students are setting benchmarks in all sectors of the country, further demonstrating the quality of education here. In recent years, students have secured placements in various government, non-government, and private institutions.

Our primary objective is to provide students with opportunities for higher education and specialization. We offer research and teaching based on high academic standards, equipping students with extensive knowledge, creativity, ethics, and professional aptitude. As the Vice-Chancellor of this 38 year old esteemed university, I welcome your decision to seek admission here and express my hopes for your bright future.

I am confident that by joining our university, you will move toward a promising future.

Prof. Vandana Singh
Vice Chancellor

A message from the Chairman PUCAT

Dear Students,

On behalf of the Admission Committee, it's my great pleasure to warmly welcome each one of you to Veer Bahadur Singh Purvanchal University. We're thrilled at the opportunity to guide you through this exciting journey ahead. Our university offers a dynamic and supportive environment where you will be inspired by excellent faculty, encouraged to think innovatively, and given ample opportunities for groundbreaking research and personal development. We believe in cultivating your creativity, curiosity, and leadership skills to help you become outstanding professionals and responsible citizens. At Veer Bahadur Singh Purvanchal University, transparency, fairness, and merit are at the heart of our admission process. Applicants can easily register through the user-friendly Samarth Portal by providing basic personal and academic information. Once registered, you can fill out the online application and upload the required documents. Admission seats are allocated based on entrance test performance and merit criteria to ensure equal opportunities for everyone. Your admission is confirmed after you complete the necessary fee payment through the portal. Beyond academics, our university offers numerous co-curricular activities and facilities designed to support your overall growth and social development. You will find engaging cultural clubs, sports and recreation facilities, community outreach programs, and various skill-enhancement workshops. I encourage you to actively participate in these activities to build lasting friendships, enhance your leadership capabilities, and broaden your social and cultural perspectives. We eagerly await your arrival on campus and look forward to watching you thrive as a valued member of our vibrant community.

Warmest wishes,

Prof. Rajnish Bhasker
Chairman, PUCAT

A message from the Convener PUCAT

On behalf of the admission committee, I would like to welcome you all warmly. Our university is dedicated to providing key features like good academic program, innovative research opportunities, nurturing learning environment that will help you develop your potential. The admission process is a matter of significance as it is vital to the reputation of the university.

Selecting the right students and giving equal opportunities to all without any discrimination. Students typically register on the Samarth portal with their details, such as name, email, and other information. They then fill out the application form online, submitting all necessary documents and information. The portal manages the seat allotment process based on merit lists / entrance test. Successful applicants are required to pay the admission fee through the portal to secure their seat.

We are committed to making your dreams a reality and your aspirations stellar achievements. Our innovative facilities and resources are created keeping in mind the new challenges of today. As you peruse our admission prospectus and imagine your future at our esteemed university, I encourage you to dream big and create your own professional trajectory by grasping every opportunity that comes your way. I am excited to embark on this transformative journey with you and witness your journey in becoming a capable leader of tomorrow. Together, let us make eminence our new habit and self-discovery our new passion. I wish you the best of luck for the new academic session.

Prof. Mithilesh Singh
Convener, PUCAT

A message from the DSW

It gives me immense pleasure to welcome you to PUCAT 2026 - the gateway to a future defined by academic excellence, innovation, and transformative learning. This Common Admission Test is not merely an examination; it is the beginning of a meaningful academic journey and your first step toward becoming a part of a vibrant, inclusive, and forward-looking intellectual community.

At Veer Bahadur Singh Purvanchal University, we take immense pride in our distinguished legacy of fostering intellectual curiosity, promoting creativity, and empowering students with the knowledge, skills, and values essential for success in a rapidly evolving global landscape. Through PUCAT 2026, we invite you to explore a diverse range of postgraduate programs thoughtfully designed to integrate tradition with modernity, and theoretical foundations with practical applications. Our commitment extends well beyond academic instruction. The University offers a dynamic and enriching campus environment characterized by cultural diversity, interdisciplinary research opportunities, student-centric welfare initiatives, and robust career development support. The Office of the Dean, Students' Welfare remains dedicated to guiding and supporting you throughout your journey-ensuring your holistic development, well-being, and seamless integration into the university ecosystem.

PUCAT 2026 presents you with the opportunity to join an institution that believes in nurturing potential, encouraging innovation, and shaping responsible global citizens. Here, you will find not only classrooms and laboratories, but also inspiration, mentorship and opportunities to grow into confident thinkers, compassionate leaders, and impactful change-makers. We look forward to welcoming the next generation of scholars who will contribute to knowledge, serve society, and lead with integrity. Wishing you every success in your preparations and a bright future through PUCAT 2026.

Prof. Pramod Kumar Yadawa
DSW, VBSPU

A message from the Chief Proctor

It is my great pleasure to warmly welcome all the students appearing for PUCAT 2026. It is not just the first step in your career as the student of the Veer Bahadur Singh Purvanchal University, but an opportunity to demonstrate not only to yourself, but to others as well, that you are indeed serious about upholding discipline, honesty and excellence. We are confident that we develop the desired learning in our university in the environment of honesty, respect to one another and responsibility. In this major step, I wish to request you behave in an ethical manner, and be fair at the time of examination. The pride of our university is in ensuring high degree of fairness and discipline is maintained and all of us attend the process of examination smoothly and with trust. Also, you should not forget that dedication and hard work will provide a strong foundation for your future.

I wish you all the best for your preparation and wishes on your success on the PUCAT 2026. May your journey be guided by discipline, determination, and integrity.

Prof. Ajai Pratap Singh
Chief Proctor, VBSPU

VISION & MISSION

VISION

- To be a dynamic and proactive center of excellence that bridges the gap between academia and industry, empowering students with the skills, knowledge and opportunities to thrive in a global, competitive environment.

MISSION

- To enhance students' employability by providing skill development programs, industry-oriented training and career guidance.
- To build strong collaborations with industry partners for internships, live projects and placement opportunities.
- To nurture a culture of continuous learning and professional ethics aligned with national and global employment standards.
- To support and mentor students in realizing their career aspirations through innovative placement strategies and personalized guidance

INFRASTRUCTURE

Veer Bahadur Singh Purvanchal University is located in the Jaunpur district of eastern Uttar Pradesh, spread across a 171.5 Acre lush green campus divided by NH-135A into academic and residential zones. Each faculty has its own academic block equipped with classrooms, smart classrooms, seminar halls, conference rooms, specialized laboratories, computer labs, libraries, recreation centers, and other essential amenities including girls' common rooms.

The University boasts world-class event and performance spaces, including the centrally air-conditioned, projector-mounted Mahanth Avaidyanath Sangosthi Bhawan, a 24,000 sq. ft. auditorium with a seating capacity of 750. The Aryabhatt Auditorium, a modern 8,000 sq. ft. mini-theatre, accommodates 300 and features a powerful 3D surround sound system, LCD projector, and 360-degree ceiling-mounted camera. The open-air theatre Muktangan, covering 40,000 sq. ft., serves as a vibrant cultural venue.

For sports, the Eklavya Stadium spans over 3,26,000 sq. ft., alongside a well-designed indoor stadium. The Vivekanand Central Library, declared a Centre of Excellence by the State Government, supports academic excellence, complemented by individual faculty libraries.

The University provides excellent residential and hospitality facilities including a well-furnished University Guest House, Teacher's Guest House, Transit Hostel, and staff residences. Healthcare services include a medical center, dental hospital, day care center, and ambulance facility. The Central Training and Placement Cell actively facilitates placement, training, and personality development activities for students.

Why VBS Purvanchal University ?

VBSPU attracts bright minds from across the region and beyond. With a wide range of academic disciplines including Engineering, Management, Computer Applications, Pharmacy, Sciences, and Humanities, the university offers a well-rounded and diverse student base ready to take on professional challenges.

Industry-Ready Curriculum

Our programs are designed to align with industry standards and evolving market needs. Continuous curriculum updates, project-based learning, and practical exposure ensure that students are equipped with the latest knowledge and skills.

Focus on Skill Development

Through the Central Training and Placement Cell (CTPC), students receive dedicated training in soft skills, aptitude, communication, group discussions, and interview techniques ensuring they are placement-ready and professional in their approach.

Value-Based and Ethical Workforce

Rooted in strong cultural and ethical values, VBSPU students are known for their integrity, discipline, and sense of responsibility. Recruiters often highlight our graduates' commitment to excellence and team spirit.

Proven Track Record

Our students have consistently been placed in reputed companies across various sectors such as IT, Banking, FMCG, Pharmaceuticals, and Manufacturing. Many of our alumni are holding significant positions in national and multinational companies.

Significant Achievements

Top Performer in State Research Projects: Among the few state universities to secure the highest number of Centre of Excellence projects under the Department of Higher Education, Uttar Pradesh.

Establishment of Thematic Research Centres: Developed Centre of Renewable Energy, Centre of Nanoscience & Technology and a new interdisciplinary research centre focusing on Water and Energy.

Advanced Research Facility: Set up Centre of Advanced Facility for Materials Characterization (CAFMC) under Rajju Bhaiya Institute to support both internal and external researchers.

High-Impact Publications: Consistent publication of research papers in Scopus, Web of Science, and UGC-CARE-listed journals, contributing to global academic discourse.

Promoter of Interdisciplinary Research Collaborations: Active MoUs and collaborative research initiatives with national and international universities and industries.

Recognized Sports Infrastructure: Developed one of the largest university stadiums in Eastern UP-Eklavya Stadium, supporting multiple outdoor and indoor sports.

Digital Transformation in Education: Integration of smart classrooms, digital libraries and learning management systems (LMS) to facilitate tech-enabled learning.

Alumni in Strategic Government Roles: Alumni serving in Indian Space Research Organisation (ISRO), Indian Oil Corporation. National Mineral Development Corporation, Kribhco, Food Corporation of India (FCI), Reliance, TCS etc reflecting strong academic foundation.

FACILITIES

The University has established strong collaborations with leading national recruiters through research partnerships, co-operative education programs, and joint ventures.

Student Skill Development

VBSPU offers comprehensive Student Skill Development Programs aimed at fostering personal, academic, and professional growth. These initiatives equip students with vital life and career skills. beyond conventional classroom learning. Emphasis is placed on cultivating essential soft skills such as communication, leadership, time management, critical thinking, teamwork, and relationship building.

National Cadet Corps (NCC)

NCC Directorate Lucknow allotted one company (160 cadets) under the Senior Division category for the students to the University Campus for the first time since its establishment 1987. On this occasion, the official allotment letter was formally handed over by Colonel Alok Singh Dharmaraj, Commanding Officer, 98 UP Battalion NCC Jaunpur, to the Vice-Chancellor Prof. Vandana Singh and Registrar Dr. Vinod Kumar Singh.

Entrepreneurship & Startups

The University established the VBSPU Incubation and Innovation Foundation, a non-profit company registered under Section 8 of the Companies Act, 2013, in 2022. Currently, five incubatees are actively developing products in diverse sectors including biotechnology, agriculture, and the perfume industry.

The Training and Placement Cell

The Central Training and Placement Cell (CTPC) at Veer Bahadur Singh Purvanchal University (VBSPU) plays a pivotal role in bridging the gap between academia and industry. Committed to enhancing students' employability, the CTPC offers structured training, industry exposure, and strategic career counseling. It conducts workshops, seminars, mock interviews, aptitude training, internships, and campus recruitment drives to equip students with the skills required for today's competitive job market. With a vision of academic excellence and professional empowerment, the CTPC fosters strong industry partnerships across sectors. It supports students from diverse academic backgrounds, preparing them to meet real-world challenges and secure placements in leading national and international organizations.

Research and Development

Veer Bahadur Singh Purvanchal University actively promotes research and innovation through its comprehensive Research Development Policy, which encourages faculty and students to engage in interdisciplinary and multidisciplinary research in collaboration with other departments, institutions, universities, and industries. Our faculty members consistently earn recognition on prestigious global platforms, including the Elsevier and Stanford University World Top 2% Scientists list. In recent years, the University has secured over 50 funded research projects, including 15 Centres of Excellence, supported by esteemed bodies such as the Department of Higher Education (Govt. of Uttar Pradesh), DST-SERB, UGC, CSIR, DAE, DST-PURSE, CSTUP and IUAC New Delhi.

VBSPU is a pioneer in Uttar Pradesh for promoting a strong research culture, being the first institution in the state to offer Post-Doctoral Fellowships (PDF) using its own resources. The Centre of Advanced Facility for Materials Characterization (CAFMC) at Rajju Bhaiya Institute offers state-of-the-art research infrastructure. The University has also established a dedicated interdisciplinary research center for water and energy, alongside existing centers for Renewable Energy and Nanoscience & Technology, enhancing its commitment to impactful and sustainable research.

Central Library

Established in 1999, Central Library is one of the largest repository of information in Uttar Pradesh to provide quality services to its students, research scholars, teachers and staffs. It shifted at newly three storied impressive modern library building with the name of Vivekanand Central Library in the year 2004. In 2016, the Central Library has been awarded as a "Centre of Excellence" by Govt. of Uttar Pradesh. The Library premises are under CCTV surveillance to control unethical incidents. Library has Wi-Fi connectivity to provide Internet as well as e-Resource facilities to its users even after closing the library. Now the Library is working with SOUL software package for its in-house job like circulation, serial control, cataloguing, OPAC/Web OPAC etc. The library has more than 150 sitting capacity. It has an Electronic Thesis and Dissertation Laboratory (ETD Lab) to digitize and upload of awarded Ph.D Thesis of our university in Shodhganga: a reservoir of Indian thesis. It has also an e-Library, containing 20 computers with GBPS BSNL leased line Internet connectivity to access 28000+ e-resources including e-journals, e-books, e-databases, e-contents, e-thesis purchased and subscribed by university along with INFLIBNET Centre, Gandhinagar with many more open Access e-resources.

IMPORTANT DATES

Online application form is available from	:	08 May, 2026
Last Date for Submission of online Application form	:	20 June, 2026
Date of Entrance Test (Tentative)	:	29 - 30 June, 2026
Date of Answer key declaration	:	30 June, 2026 (Evening)
Date of announcement of Result	:	05 July, 2026
Date of Counseling	:	From 9 July, 2026 onwards

IMPORTANT INFORMATIONS FOR ALL COURSES

1. PUCAT-2026 application can be submit through the online https://vbspuadm.samarth.edu.in/index.php
2. Candidates are advised to read PUCAT-2026 Information brochure carefully before filling and submitting the application form.
3. Applicant can be checked the eligibility of the program before the submitting the application form.
4. Candidates who are due to appear for the qualifying examination or have appeared, but results are awaited, are also eligible to appear in the PUCAT-2026. However, the candidates in respect of whom, the result of the qualifying examination has not been declared till the date of the document verification, due to any reason whatsoever, shall not be eligible for admission under any circumstances
5. Candidates need not to send hard copy / photo copy of any document, whatsoever, to the University at this stage.
6. Candidates claiming advantage of reserved categories, sub-categories, etc. must be required to indicate in the Application form and not required to send any certificate to the University at this stage. These certificates, in original, will have to be produced at the time of Documents Verification along with one self-attested copy of each one of them.
7. The result of PUCAT-2026 declared by VBS Purvanchal University, Jaunpur, Uttar Pradesh, shall be final.
8. If any document/declaration submitted by the candidate is found to be false at any stage, his/her admission shall be cancelled, and he/she may be liable for prosecution under the law. The candidate must himself/herself ensure about his/her eligibility to appear in the Entrance Examination. If a candidate, who is not eligible to appear in the examination, does so; he/ she will not have any claim whatsoever, for admission to any course through PUCAT-2026.
9. The Entrance Examination Fee for PUCAT-2026 is **₹ 500/-** for Unreserved and OBC category and **₹ 250/-** for the candidates belonging to **SC/ST/EWS.**
10. The allotment of seat through counseling will be carried out strictly in accordance with the PUCAT-2026 merit of the candidate, subject to the order of preference given for the seats and availability of seat in the category. Once the seat is allotted to the candidate, no change in the Institution / Branch is admissible.
11. University fee refund policy is a according to UGC refund policy. https://www.vbspu.ac.in/downloadmedia/siteContent/Adm4.pdf

कुलगीत

वीर बहादुर सिंह विश्व-विद्यालय का हरितांचल।
जय-जय-जय "पूरब की आत्मा," जय-जय-जय "पूर्वाञ्चल"।।
पूर्व दिशा का ताज रहा है,
"भारत का शीराज रहा है,
यह यमदग्नि-यजन की बेदी यह "कुतबन" का मादल।
जय-जय-जय "पूरब की आत्मा," जय-जय-जय "पूर्वाञ्चल"।।
दो धर्मों की मिलन-धुरी यह,
राग सलोना "जौनपुरी" यह,
संघर्षों की झंझर में झंकृत जिसके जीवन-पल।
जय-जय-जय "पूरब की आत्मा," जय-जय-जय "पूर्वाञ्चल"।।
नये सृजन की सजी आरती,
उतरी वीणा लिये भारती,
नव-जागरण-थाल में अर्पित यह पावन तुलसी-दल।
जय-जय-जय "पूरब की आत्मा," जय-जय-जय "पूर्वाञ्चल"।।
कला-शिल्प-विज्ञान कलेवर,
छलकाये प्रकाश के निर्झर,
धेनुमती-तमसा-गंगा का यह पावन क्रीड़ास्थल।
जय-जय-जय "पूरब की आत्मा," जय-जय-जय "पूर्वाञ्चल"।।
नीति हमारी सरल-तरल हो,
जिसमें जन का क्षेम-कुशल हो,
गौतम-कपिल-कणाद-पंतजलि हों आदर्श अचंचल।
जय-जय-जय "पूरब की आत्मा," जय-जय-जय "पूर्वाञ्चल"।।
