ORIENTATION PROGRAMME

For Management Students and Teachers
Theme: Post Covid-19 New Normal:
Corporate Expectations and Managerial Preparations
Date: 4th November 2020

Organized by
Faculty of Management Studies
Veer Bahadur Singh Purvanchal University,Jaunpur (UP)

ABOUT THE UNIVERSITY

Veer Bahadur Singh Purvanchal University, Jaunpur was established on 2nd October 1987 as an affiliating university under U.P. state university act 1973. Continuous qualitative and quantitative growth, excellence in academic and administrative activities, transparent and efficient academic administration has been some of the distinct characteristics of which the university emerged as one of the leading universities. Started with the 68 affiliated colleges, the university now has widened its spectrum of activities with about 900 affiliated graduate and post-graduate colleges and student enrollment of nearly 5.5 lakhs in 5 Districts of Eastern Uttar Pradesh.

The infrastructure development, the achievement of academic excellence, quality assurance in the higher education, and socio-economic development of this highly backward & rural region of Eastern Uttar Pradesh are some of the priority areas for which the university is putting its best efforts. The beginning of a two-year full-time residential MBA course in 1990 was one of the first steps towards making a change in the university's character from affiliating to affiliating cum-residential university.

At present University campus have seven faculties, namely Faculty of Engineering & Technology (having ten courses), Faculty of Medicine (having three courses), Faculty of Management Studies (having seven courses), Faculty of Applied Social Science (having three courses), Faculty of Science (having four courses), Rajju Bhaiya Institute of Physical Science for Study and Research (having six courses), Faculty of Law (havingone course).

ABOUT THE PROGRAM

After being hit by COVID -19, the pandemic world has drastically reinvented coping with the 'new normal'. World allover is at the initial phase of a complete overhaul, and things are getting back on track with the new normal, and so is the case with our industry and academics. Considering this in mind Faculty of Management Studies is organizing an orientation program on the theme "**Post Covid-19 New Normal: Corporate Expectations and Preparations of Management Students"** The theme of the webinar is in tandem with the current scenario and aims to align the students and teachers with their new role in future.

The orientation program aims at Introducing the aspiring managers and teachers to the ongoing corporate environment and practices. This will help them to develop the required competency in them. The program will have insights and views of practitioners and academicians of national and international repute. The prime focus will be on giving a more practical touch to our academic learning and how to bridge the gap between academic learning and corporate practice.

Objectives of the Program

- To make aware of the corporate expectations from business management institutes about the competencies of budding managers.
- To make aware the educationists about the thrust areas to imparting knowledge and skills among the students in post-Covid-19.
- To make aware the academia about the latest changes taking place in post Covid-19
- To make aware of the challenges and opportunities in the new normal and equip the students accordingly.

ORIENTATION PROGRAMME

For Management Students and Teachers
Theme: Post Covid-19 New Normal:
Corporate Expectations and Managerial Preparations
Date: 4th November 2020

Organized by
Faculty of Management Studies
Veer Bahadur Singh Purvanchal University,Jaunpur (UP)

ABOUT THE UNIVERSITY

Veer Bahadur Singh Purvanchal University, Jaunpur was established on 2nd October 1987 as an affiliating university under U.P. state university act 1973. Continuous qualitative and quantitative growth, excellence in academic and administrative activities, transparent and efficient academic administration has been some of the distinct characteristics of which the university emerged as one of the leading universities. Started with the 68 affiliated colleges, the university now has widened its spectrum of activities with about 900 affiliated graduate and post-graduate colleges and student enrollment of nearly 5.5 lakhs in 5 Districts of Eastern Uttar Pradesh.

The infrastructure development, the achievement of academic excellence, quality assurance in the higher education, and socio-economic development of this highly backward & rural region of Eastern Uttar Pradesh are some of the priority areas for which the university is putting its best efforts. The beginning of a two-year full-time residential MBA course in 1990 was one of the first steps towards making a change in the university's character from affiliating to affiliating cum-residential university.

At present University campus have seven faculties, namely Faculty of Engineering & Technology (having ten courses), Faculty of Medicine (having three courses), Faculty of Management Studies (having seven courses), Faculty of Applied Social Science (having three courses), Faculty of Science (having four courses), Rajju Bhaiya Institute of Physical Science for Study and Research (having six courses), Faculty of Law (having one course).

ABOUT THE PROGRAM

After being hit by COVID -19, the pandemic world has drastically reinvented coping with the 'new normal'. World allover is at the initial phase of a complete overhaul, and things are getting back on track with the new normal, and so is the case with our industry and academics. Considering this in mind Faculty of Management Studies is organizing an orientation program on the theme "**Post Covid-19 New Normal: Corporate Expectations and Preparations of Management Students"** The theme of the webinar is in tandem with the current scenario and aims to align the students and teachers with their new role in future.

The orientation program aims at Introducing the aspiring managers and teachers to the ongoing corporate environment and practices. This will help them to develop the required competency in them. The program will have insights and views of practitioners and academicians of national and international repute. The prime focus will be on giving a more practical touch to our academic learning and how to bridge the gap between academic learning and corporate practice.

Objectives of the Program

- To make aware of the corporate expectations from business management institutes about the competencies of budding managers.
- To make aware the educationists about the thrust areas to imparting knowledge and skills among the students in post-Covid-19.
- To make aware the academia about the latest changes taking place in post Covid-19
- To make aware of the challenges and opportunities in the new normal and equip the students accordingly.
