# PLACEMENT PROCEDURE

1

## INVITATION

The Training and Placement Centre sends an invitation to companies and organizations along with relevant information about the institute and departments. They are subsequently required to fill the Job Notification Form.

2

## SLOT ALLOCATION

Placement Centre and companies coordinate to fix a convenient date for recruitment procedure i.e. tests and interviews, after considering factors like student preference, job profiles etc.

3

## PRE-PLACEMENT TALK

The Company may organize a Pre-Placement Talk for interested and eligible students appearing for the recruitment process.

4

## RESULT DECLARATION

The Company/Organization is required to furnish the final list of selected students at the end of the entire recruitment process.

# INTERNSHIPS & TRAINING

The Training & Placement Office, Vbspu, Jaunpur facilitates the process of placement of students passing out from the Institute besides collaborating with leading organizations and institutes in setting up of internship and training program of students. The office liaises with various industrial establishments, corporate houses etc which conduct campus interviews and select graduate and post-graduate students from all disciplines. The Training & Placement Office provides the infra-structural facilities to conduct group discussions, tests and interviews besides catering to other logistics. The Office interacts with many industries in the country, companies visit the campus for holding campus interviews. The industries which approach the institute come under the purview of: Core Engineering industries IT & IT enabled services Manufacturing Industries Consultancy Firms Finance Companies Management Organisations R & D laboratories.

The placement **season runs through the course of the year commencing the last week of July through to March.** Pre-Placement Talks are also conducted in this regard as per mutual convenience. Job offers, dates of interviews, selection of candidates etc. are announced through the Training & Placement Office. The Placement Office is assisted by a committee comprising representatives of students from the under-graduate and post-graduate engineering streams. The committee evolves a broad policy framework every year besides a set of rules which are inviolable. Students members are closely co-opted in implementing these policy decisions

## Training & Placement Cell

### Establishment of Training and placement cell

The first visit of Team from the Institute to the Mentor Institute PES College of Engineering Mandya, Karnataka during 21 September, 2017 was a great success in the sense that we realized to bridge the gap toward Employability of our Engineering Graduates in a systematic manner to meet out the mandate of TEQIP –III Project. The very first issue identified was to establish a Centre of Training & Placement for the students. The efforts became fruitful with the Sanction of Hon'ble Vice Chancellor on 17 July 2017 towards facilitating appointment of a Director Training & Placement Cell under the scheme of Empanelment of Adjunct Faculty in University by University Grant Commission. Prof. Ranjana Prakash took charge as Director Training & Placement Cell on Sept. 08, 2017 and visited first time in the Campus during Sept. 15-16, 2017. The Central Training & Placement Cell was inaugurated on Nov. 15, 2017 in the auspicious presence of Prof. Rajeev Tripathi, Director MNNIT Allahabad. Since then flurry of activities started with the Cell. A beautiful Training & Placement Cell is created with wonderful Ambience and Infrastructure.

The expenditure in the activities is borne by TEQIP – III.

Director's Report on the training programme

I joined the Central Training and Placement cell of the VBS Purvanchal University in September 2018, Since then a number of programme for the enhancement of soft skills, personality development, preparation of presentation at GD, personal round of interview with HR's, computational programmes have been undertaken for the benefit of students.

The performance of the students before the hiring companies and the Job Fair organized at VBS Purvanchal was satisfactory as is evident from the large recruitment of number of students about 650 at the Job Fair and 122 students by their visiting companies.
